

Wood Grain Garage Door Finishes

Infinity Classic™
Model I100A Dark Walnut

The beauty of wood with the endurance and strength of aluminum.

High performance state-of-the-art wood grain finishes are available on our all-aluminum *Infinity Classic™* carriage style garage doors. These doors look so realistic and natural that they are mistaken for real wood doors.

Infinity Classic™ Model I208A Mahogany

And all of the surfaces on our doors are finished, so the inside of the garage door is as beautiful as the outside.

Our wood grain finish is a powder coat process, an excellent performer in the coastal regions where salt water is present.

Infinity Classic™ Model I206C 45° Corners Dark Cherry

- Maintenance Free - UV Resistant -

Ten Year Limited Warranty per AAMA 2604 Paint Performance Standards

Our finish is certified to meet AAMA 2604 Paint Performance Standards established by the AAMA (American Architectural Manufacturers Association). This means that the finish is resistant to weathering and/or other elements like detergent and salt water and that our doors will have very little fading or chalking. The finish will not blister or crack even in harsh coastal climates.

We have eight wood grains to choose from, so you can easily find the look that you desire.

Mahogany

Dark Walnut

Dark VG Fir

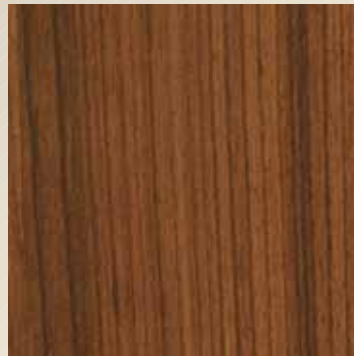

Light VG Fir

Dark Ash

Light Ash

Dark Cherry

Light Cherry

Note: Wood grain door photos and color samples are not exact reproductions. During the printing and production process slight color variations do occur.
